What We're Learning Next Week...

Inquiry into Integrated Literacy

Next week we will be reviewing skills learned during the first trimester. We will also practice for Student-Led Conferences.

Inquiry into Words Their Way

Due to the short week next week we will not have new words for Words Their Way.

Inquiry into Integrated Math

Next week we will finish Topic 3 and begin reviewing for the Topic 3 test.

Inquiry into Transdisciplinary Themes

While you and your child are working on the timeline at home (directions are in your child's folder!), we will continue our first FOSS (Full Option Science System) kit here at school, Solids and Liquids. During our inquiry into solids and liquids, your child will have hands-on experiences with objects that make up our physical world. We will be observing, exploring, describing, investigating, sorting, combining and separating, recording, and reporting. We will continue to investigate solids. We will continue exploring many different solid materials and observing the properties of solids.

Announcements from Ms. Waninger

- ❖ We look forward to sharing all your child has learned at our Student Led Conferences this week! Please remember that students do NOT have school Thursday and Friday, but they DO come with you to their conference!
- ❖ Please remember to sign the paper attached to your child's tests and return BOTH the paper and all of the tests back into their folder.
- ❖ Thank you for continuing to help your child complete the homework (math and Words Their Way) that comes home each night.
- ❖ Please send a healthy snack with your child each day!

Announcements from YARCS

- Students should be wearing predominantly navy, black, brown or white shoes. Thank you for your help with this!
- Please remember to have your child wear tennis shoes on our PE day (Day 3 and 6).
- As the weather gets colder, please make sure your child comes to school with a jacket for recess. Thank you!
- Please remember to label your child's sweaters, jackets, etc.
