## York County Libraries

York County Libraries recently changed their logo, name, and related items. You will see a new look on the website at [www.yorklibraries.org](http://www.yorklibraries.org). "My Account" is still on the top right so you can log in to renew items, check holds, check hold status, etc. As you visit your local library, you will be given a new card and key fob with the new logo and the new number. Students who receive new cards at a local public library will need to bring that new card to the York Academy library to be copied for our use in

checking out books as your child will have a new number.
