### What We're Learning Next Week...

#### Inquiry into Integrated Literacy

In honor of his upcoming birthday, next week we will be reading a variety of Dr. Seuss books. We

- will also learn about Dr. Seuss's life and the creativity he used to invent his infamous characters! Since Dr. Seuss created so many **UN**usual, **NON**sense characters, we will also be
- learning about the prefixes un-, non-, dis-, and im- (all meaning NOT) next week.

#### Inquiry into Words Their Way

- Thank you for continuing to do the specified homework for each night and signing the paper in their folder. This paper is checked at the end of the month for completion.

#### Inquiry into Integrated Math

- Next week we will finish Topic 12, Measurement. We will review and take the Topic 12 assessment. We will also spend time working with money.

#### Inquiry into Transdisciplinary Themes

- We will be doing many fun Dr. Seuss activities to show our creativity throughout the week. We will also be continuing our FOSS unit on balance and motion.
