What We're Learning Next Week...

Inquiry into Integrated Literacy

- Next week we will be starting a new story in our literacy pilot series. We will be spending the next couple weeks reading The Recess Queen by Alexis O'Neill. Next week we will be working on skills such as using context clues and analyzing an author's word choice. We will also continue writing opinions about characters in a text and then supporting those opinions.

Inquiry into Words Their Way

- Thank you for practicing these words with your child! Please make sure to sign the Words Their Way paper in their folder.

Inquiry into Integrated Math

- Next week we will continue working on Topic 4. We will use addition facts to find subtraction facts, explain the strategies we use to solve subtraction problems, solve different kinds of addition and subtraction problems, and explore reasoning.

Inquiry into Transdisciplinary Themes

- During the next two weeks we will be learning about our next unit of inquiry, How We Organize Ourselves. We will inquire about what we already know about teams and different kinds of teams (not just sports!). We will do some team building activities where we can see what roles people have in a team.
