

## Meals in the Classroom (MIC) Plan

### What is the Goal of the Meals in the Classroom (MIC) Plan?

The goal for MIC at York Academy is to ensure student success in academic and social activities by offering all students breakfast and lunch in a safe and comfortable environment. In order to achieve that goal, the following plans will be implemented, effective August 17, based on recommendations from York Academy administration and public health guidance.

### Where will meals be served?

K-6<sup>th</sup> grade students participating in in-school learning at the Lower School will be served and will eat in assigned classrooms. Meals for all eLearning students in grades K-11 will be available curbside at the Upper School between 12 – 1 p.m. on days when school is in session. Students who qualify for free or reduced meals will receive meals free or discounted, as appropriate. Meals will also be available for students to purchase should they not meet National School Lunch Program eligibility guidelines.
